

DOMESTIC PRODUCT LIST

UNDERSINK REVERSE OSMOSIS SYSTEMS AND EQUIPMENTS

E S L I
Pollet Water Group

Esli End. Ur. Paz. San. ve Tic. Ltd. Sti, which has attracted a great deal of attention due to extraordinary water treatment projects in Turkey, was established in 1997 in Antalya by Aytekin Poçins and Eslişah Poçins. The firm started out to be a brand following developing technology with a functional, qualified, practical and reliable infrastructure. It has been working for 20 years sustainably and has become an insistently-preferred firm by the customers due to its knowledge, experience and innovative approaches.

Being a quarter-century of power, the firm has carried out successful projects both in Turkey and in many countries over the world by means of brands such as; RAVENT, AQUALINE, POLLET WATER GROUP, WCY, STYRE, ATUADOR, AQUABİR, AQUALINE PLATINUM, JAMMY FILTER, TECFLO, TAE TANK.

It got stronger by being incorporated with Pollet Water Group in 2003 and the success achieved within 20 years has been achieved only by competing with itself. Esli serves you in a solution-focused strategy and qualified approach with more than 250 devoted employees in the departments of Sales-Marketing, Project, Project-Production, Technique, Production, Graphic Design, Technical Drawing, Quality Control, Finance-Accounting, Human Sources, Purchasing, Dealer Sales, Foreign Trade, Overseas Sales, Information Technology and Quality Management.

As Esli was carrying on its activities in Antalya Organized Industrial Zone, it established Istanbul European Regional Directorate in 2000 to offer faster and qualified solutions for customers' demands and problems. Then, it established regional directorates respectively in İzmir (2002), Ankara (2008), Bodrum (2010), Adana (2011), Kocaeli (2012) and İstanbul Asia (2014). Thus, Esli is able to carry products and services to all over Turkey easily.

It makes production in accordance with international quality standards by following developing technology and determining the requirements. It also exports many countries thanks to consistent sales policy and foreign marketing activities.

Esli prepares projects for purification of seawater, municipal water, wastewater, river water and grey water; surface piping, softener, reverse osmosis, ultrafiltration, deionization, surface water treatment and chemical dosage systems with experienced engineering team, and provides products and

services meeting requirements in all capacities. It has forged ahead to be the most powerful domestic treatment supplier in Turkey by means of not only range of qualified products and spare parts but also its stock in domestic treatment sector. Esli has quality certificates of ISO 9001, ISO 14001, Competency after Sales Services, Qa Technic, Domestic Goods, TSEK, Service Adequacy, OHSAS 18001, ISO 13485, EC.

Ergonomic and spectacular compact design, quality and aesthetic meet in this device;

MEETING LIFE.!

NEW DESIGN!

Reverse Osmosis Technology;

- ✓ It produces the most ideal drinking water for your body functions,
- ✓ It removes all kinds of contamination in water,
- ✓ It does not affect taste of your food and drinkings,
- ✓ It produces clean and reliable water for 24 hours,
- ✓ In natural spring water quality at your disposal,
- ✓ It protects your health and saves money,
- ✓ The healthiest and the **most economical way of supplying drinking water**

2.2 Gallon tank is inside the cabinet.

RAVENT SMART
5ST-CLASS W/OUT PUMP

KOD 70100005

- 12" Inline 5 Micron Spun (Sediment) Jammy Filter
- 12" Inline GAC Carbon Jammy Filter (UDF)
- 12" Inline Block Carbon Jammy Filter (CTO)
- 10" Inline Coconut Post Carbon Filter
- 75GPD / 80GPD Membrane
- 2.2 Gallon Metallic Pressured Storage Tank
- Star Faucet
- Shut-Off Valve

RAVENT SMART
5ST-CLASS WITH PUMP

KOD 70100000

- 12" Inline 5 Micron Spun (Sediment) Jammy Filter
- 12" Inline GAC Carbon Jammy Filter (UDF)
- 12" Inline Block Carbon Jammy Filter (CTO)
- 10" Inline Coconut Post Carbon Filter
- 75GPD / 80GPD Membrane
- 2.2 Gallon Metallic Pressured Storage Tank
- Star Faucet
- Shut-Off Valve
- Pump
- 24V 1,5A Adapter

2.2 Gallon tank is inside the cabinet.

RAVENT SMART 6ST-CLASS W/OUT PUMP

KOD 70100015

- 12" Inline 5 Micron Spun (Sediment) Jammy Filter
- 12" Inline GAC Carbon Jammy Filter (UDF)
- 12" Inline Block Carbon Jammy Filter (CTO)
- 10" Inline Coconut Post Carbon Filter
- 10" Inline **MINERAL FILTER**
- 75GPD / 80GPD Membrane
- 2.2 Gallon Metallic Pressured Storage Tank
- Star Faucet
- Shut-Off Valve

RAVENT SMART 6ST-CLASS WITH PUMP

KOD 70100010

- 12" Inline 5 Micron Spun (Sediment) Jammy Filter
- 12" Inline GAC Carbon Jammy Filter (UDF)
- 12" Inline Block Carbon Jammy Filter (CTO)
- 10" Inline Coconut Post Carbon Filter
- 10" Inline **MINERAL FILTER**
- 75GPD / 80GPD Membrane
- 2.2 Gallon Metallic Pressured Storage Tank
- Star Faucet
- Shut-Off Valve
- Pump
- 24V 1,5 A Adapter

2.2 Gallon tank is inside the cabinet.
